

A princess runs away from her family's new puppy and encounters hard lessons. When she's returned home, her snobbishness is replaced by an appreciation of her blessings. This story with a delightful surprise twist shows the value of love, family, self-insight, and acceptance of others.

"I can't say enough good things about this book. I was delighted with the distinct personality of Princess Lillian, the twist in her story, and her many adventures and lessons. This book will not have to make you think...you just won't be able to do anything else. It was fabulous! I loved it!" Ruth Wilson, Huntress Reviews

"A great children's story that has a positive message....highly recommended." Harold McFarland, Midwest Book Reviews

"An adventurous story of alarm and envy unfolds, concluding in the moral that unconditional love wins out over apprehension and panic...offers an innovative entertaining twist that I won't spoil for readers. The vibrant pictures in the book delight the imagination and the story delivers a robust message." Sherry Russell, Books On Line

Trisha Adelena Howell is the author of seven children's books and regularly gives educational presentations at schools, libraries, and bookstores. Her lifelong love of children, children's literature, and animals have come together to create this colorful book.

The Princess and the Pekinese
